ACKNOWLEDGEMENT OF TRADITIONAL OWNERS

We acknowledge that we meet on land for which the Wurundjeri peoples of the Kulin Nations are the traditional owners and custodians. We recognise that this land has and continues to be a place of living culture.

We remember and pay respects to Wurundjeri ancestors and warriors past and present and extend that

respect to any Indigenous people here today.

Connections' commits to the continued development of culturally appropriate services that are guided by the Aboriginal community. We commit ourselves to actively work alongside all Indigenous people for reconciliation and justice.
