

Connections KeepCup

Connections aims to reduce our impact on the environment. We have a keen interest in extending our caring role of people to include how we care for the environment.

The KeepCup is the world's first barista standard reusable coffee cup, designed to replace disposable cups. We can now offer you a Connections branded KeepCup, so that you can care the environment and support the work of Connections in one simple purchase!

KeepCups have been...

» Awarded Business of the Year 2009 by the City of Melbourne Business Awards, Voted by GMagazine as one of the top 10 green inventions of 2009, as seen on Sunrise, A finalist in the City of London Sustainable City Awards 2010, Shortlisted for the Australian International Design Awards announced June 2010 and entrant to the German Red Dot Design Awards announced July 2010.

What makes the KeepCup different?

- » The KeepCup is made in industry-standard sizes so it integrates seamlessly into any café outlet.
- » The internal volumes are the same as disposable cups.
- » Designed to be easy for the barista to use - not compromising the speed or quality of service.
- » KeepCups seal completely to keep your coffee hot and easy to transport.

What's so good about the KeepCup?

- » Manufactured in Melbourne from polypropylene #5 – the safest food grade plastic, BPA Free. Non toxic.
- » Sealable lid and sipper hole.
- » Pleasing to drink from with the lid either on or off.
- » Lightweight and stackable.
- » Dishwasher and microwave safe.
- » Fits in car cup holders.
- » Possesses superior thermal properties to paper, china and glass.
- » Small and most medium cups fit under the group heads of espresso machines.

What's so good about ordering a Connections UnitingCare KeepCup?

- » A proportion of the cost of the Connections KeepCup goes to supporting the work of Connections UnitingCare, a community organisation with a long and proud history of supporting marginalised and disadvantaged people.
- » You are reducing waste and supporting our environment initiatives - to find out more on this visit www.connections.org.au/environment
- » You are showing your support of Connections (as our logo is printed on the band of the KeepCup).
