

AUSTRALIA WIDE RESOURCES FOREVER FAMILY PERMANENT CARE CAMPAIGN

Connections UnitingCare, the organisation behind the **Forever Family** campaign, only operates Adoption and Permanent Care services in a specific region in the state of Victoria. We are aware, however that a number of people coming to this site might be making enquiries outside the state of Victoria.

Below are links (hover over bolded name of program) to websites that have useful information on the issue of adoption and permanent care. *Please note that some states don't use the terminology of permanent care and please also note that we provide this information as a useful piece of extra information but take no responsibility for the information contained in the linked sites or the way they are maintained.*

>> **Victoria - Adoption and Permanent Care** website managed by the Victorian Government, Department of Human Services, with useful resources, frequently asked questions and links.

>> **New South Wales - Adoption and Permanent Care** website managed by the New South Wales Government, Department of Community Services, with a range of useful information and numbers.

>> **South Australia - Families and young people** website managed by the Government South Australia, Department for Families and Communities, with a suite of service descriptions and contacts.

>> **Western Australia - Adoption in Western Australia** website managed by the Government of Western Australia, Department of Child Protection, with links to foster care and not-for profit organisations in the sector.

>> **Queensland - Adoption, foster and kinship care** website managed by the Queensland Government, Child Safety Services, Department of Communities, with a diverse range of information and further links.

>> **Tasmania - Adoption and Information Service** website managed by the Tasmanian Government, Department of Health and Human Services, with numbers and contacts to find out more.

>> **Northern Territory - Children, Youth and Families** website managed by the Northern Territory Government, Department of Health and Families, with links to a diverse range of programs and services.

>> **Australian Capital Territory - Adoption and Permanent Care** website managed by ACT Government, Office for Children, Youth and Family Support in the Department of Disability, Housing and Community Services, with useful descriptions on options and more information.

If you cannot get the information you require or for further specific information on Adoption and Permanent Care contact **Connections UnitingCare** on the contact details below...
