## LAUNCH OF PERMANENT CARE BOOKS

You are invited to the launch of the Permanent Care books 'My Families'.

---

The 'My Families' book project was initiated, written, illustrated and coordinated by Paula Russell and assisted by visual artist Kate Just, in collaboration with permanent care families and staff of Connections UnitingCare Permanent Care and Adoption Program. Comprising of a series of four books for children in Permanent Care, 'My Families' follows the narrative of the main character through life transitions from birth family to foster family and permanent care family and offers opportunity for parents and workers to use empowering language and conversation throughout this process with the child.
