child, youth and family services

## **SEEKING BOARD MEMBERS**

**Do you have an interest in the wider mission of the Uniting Church?**

**Would you be interested in contributing to the work of Connections UnitingCare?**

Connections UnitingCare is a community organisation with a long and proud history of supporting marginalised and disadvantaged children, young people and families. We will boldly and sensitively seek out and actively engage children, young people and families experiencing marginalisation and disadvantage to create opportunities for safe and nurtured living.

We are seeking expressions of interest from suitably skilled and experienced members of the Uniting Church to join our Board of Governance. Members with skills in management, finance, human services or government administration would be of particular relevance as would skills in strategic planning or marketing.

In addition to filling current vacancies, we wish to establish a register of people who may have an interest in joining the Board at some time in the future and would like to be kept informed of the work of Connections.

*Expressions of interest should be forwarded to  
Chairperson Fiona Hanlon by email [chairperson@connections.org.au](mailto:chairperson@connections.org.au)*

*Further information can be obtained from  
Executive Assistant to the CEO June Roy on 03 9271 0800*
